SUPPLEMENTARY INFORMATION

Title: Applicant Reference Letter.

OMB Number: 0575-0091.

Expiration Date of Approval: October 31, 1996.

Type of Request: Extension of a currently approved information collection:

Abstract: The rural housing loan program under Section 502 of title V of the Housing Act of 1949, as amended, provides eligible persons who will live in rural areas with an opportunity to own adequate but modest, decent, safe, and sanitary dwellings and related facilities. Also, the Section 504 loan/grant program is to assist eligible very low-income, owner/occupants to repair single family homes in rural areas. In both programs, the Form FmHA 410-8, "Applicant Reference Letter," provides credit information to County Offices serving the area in which the applicant or borrower will live. Applicants are required to furnish information concerning their credit history to RHS when applying for assistance. Form FmHA 410-8, is used by the Agency to supplement or verify other debts when a credit report is limited and unavailable to determine the applicant's eligibility and creditworthiness for RHS loans and grants. In some cases, credit reports cannot be used because the applicant/borrower lives in a remote area; therefore, the form is widely used by the Agency to obtain credit information. Form FmHA 410-8 asks only for specific relevant information to determine applicant's creditworthiness and to provide clarification on the promptness of the applicant's payments on debts which enables RHS to make better creditworthiness decisions.

RHS must, by law, make available to the applicant, upon request, the source of information used to make an adverse decision. Individual references may be solicited with the clear understanding that if the information is used to deny credit, the information will be made available to the applicant upon request.
